Parents Evening Video Appointment via School Cloud

Dear Parents/Carers,

The school has introduced School Cloud, an appointment booking system, for our virtual parents evening appointment this year. This system allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments.

As the parents evening is going to be held via Video Appointment, please take a look at the attached guide to see view how you access your video appointment.

If you have not booked your video appointment yet, you can do this using <https://goodshepherd.schoolcloud.co.uk/> You will need to enter the same contact details as those that we hold on SIMS. If you are struggling to access School Cloud, please contact the school office and we can help support you through the login.

Yours sincerely

Mrs C Toner,

Headteacher
