There are some things that we cannot do unless you tell us that we can. We have set these out in the tables attached. Please could you read this form very carefully and tick the appropriate options. This will let us know which of these things you are happy for us to do, and which you are not.

You are completely free to refuse to provide your consent to any of these things. You do not have to provide reasons for refusing your consent, but we are happy for you to give us additional information if you choose to so that as a Trust/School we understand any concerns that you have and can take appropriate steps where necessary.

Some of the information in the attached tables includes photographs and videos of you [your child]. We assure you that as a Trust/School we take very seriously the issue of potential misuse of photographs and videos of our pupils. We ensure that we have internal policies and controls in place to ensure that personal data is not lost, accidentally destroyed, misused or disclosed, and is not accessed by anybody without the required permissions. These controls include:

Please note that our school prospectus, website photography and marketing videos are refreshed on a two year cycle. If you provide consent for the use of your/your child's photograph or video for these purposes, the image may continue to appear in the current prospectus, website or promotional materials until the next scheduled update.

For withdrawal of consent for safeguarding reasons, any images used online will be removed with immediate effect, although they will continue to appear in printed materials already distributed.

Celebrating Achievements & Promoting the Trust/School

Across the Trust & School, we are very proud of the achievements of all our pupils, and we want to be able to celebrate these achievements both within the Trust/School and with others. We also look to celebrate, share and further our Catholic identity with members of our families and friends, our Parishes, our Diocese and further afield. To do this we hope to use a wide range of platforms to share information, photos and videos which celebrate, promote and develop our Catholicity.

We may also want to report on significant events which involve our pupils and be able to promote the Trust & School to attract new pupils to show, as a Catholic Education Provider, the quality of the education, social contribution and pastoral provision available. It is important to us, as a Catholic Trust & School, that we deliver the teaching mission of making Christ known to all people. All of this could involve certain activities such as [including but not limited to] events, work displays etc. features in promotional material including websites, prospectuses, newsletters, sharing on social media (e.g. live streamed Liturgies on YouTube or other platforms and pre-recorded events).

In this regard, I am happy for the Trust/School to use:

Provision of Pastoral Care within the Trust/School

It is important that, as a Catholic Trust/School, our pupils are supported not only in school but also more widely in the parish, especially at times of need. So that the Diocese and Catholic support agencies are able to provide that support and pray for the pupils at our school, we need to provide information to them (including full name, date of birth, address, contact details, name/contact details of parent/carer) .
