

Spring-Themed Fractions, Decimals and Percentages Board Game

Instructions:

- Choose a space to start from and place your counter on it.
- Roll a dice and move clockwise that number of spaces.
- Find an equivalent fraction on the flowers and cover it over.
- If you land on a square where the answer has already been covered, miss your go.
- The winner is the player who covers the last flower.

0.4	37.5%	80%	0.75	12.5%
0.375				62.5%
0.125				40%
75%				25%
0.5	0.8	0.25	0.625	30%
