- Where the Forest Meets the Sea
- The Snail and the Whale

## General Information

Welcome back to Pentecost term! We are excited to start our new topics and enjoy the upcoming summer events.

The children have already made a wonderful start to their final term in Year 2 and are building independence ready for all their learning in Key Stage 2

PE continues to take place on a Monday and Wednesday. Please make sure your child wears a **labelled** PE kit on these days.

Please continue to read your child's colour banded book every night. Please can you make a note of this in their diary.

### SATs

SATs will be taking place in Year 2 between 16<sup>th</sup> May – 27<sup>th</sup> May. We are having lots of practise in class. We do not want the children to worry about these tests, and will present these to them in a non-pressured way.

You can find more information about SATs testing in Year 2 here:

<https://youtu.be/cuXJidYP7-0>

### History - How has nursing changed?

- Which nurses from the past have been influential today?
- How can we compare nursing from the past to the present day?

### Geography - What makes a coastal settlement different to an inland settlement?

- What is a coastline? / What is a settlement?
- How are inland and coastal settlements different to each other and why do you think this is?

### Art – Drawing

- Banksy
- Sketching Skills – line and shade
- Observational Drawing
- Dragon Illustrations

### Art – Painting

- Coastal Art – Van Gogh and Alfred Wallis

## Science

### Animals Including Humans

We will be investigating the life cycle of frogs and understanding what humans and animals need to stay healthy.

### Plants

Know how plants grow and what plants need to survive.
