CELEBRATE

Across the school, we had an amazing 64 entries for my autumn themed short story competition. Absolutely every entry was written with such care and love. Some of them were absolutely terrifying! It was beautiful to see so much joy, collaboration and discussion around writing.

Thank you to everyone who entered and to our fabulous PTA, who gifted every child with a bookmark and pencil.

By popular demand, there will be a Christmas themed writing competition. For further details, see below.
