Welcome

Welcome to the Lent term of Year 5.
We are really proud of how well the children are working and look forward to exciting opportunities in the term ahead!

Mathematics

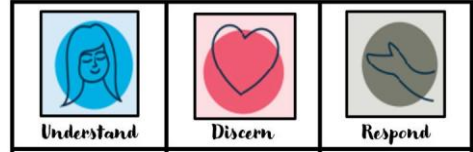

We follow elements of the White Rose program at Good Shepherd. We practice fluency before tackling problems, with a focus on providing reasoning and depth of understanding. This term we are focusing on fractions, multiplication and division, decimals and percentages, area and perimeter and statistics.

Knowing basic times tables and division facts are vital to year 5, please support your child in practicing these regularly.

RE

Our RE topics this term will be:

- Galilee to Jerusalem
- Desert to Garden

Our Curriculum

In Science this term, we will be studying the properties of materials. We will learn about the states of matter as well as how to group different materials based on their properties. We will also learn about dissolving, mixing and changes of state. Our History topic this half term is the Anglo-Saxon and Viking struggle for the Kingdom of England. During this topic, we will have the opportunity to explore artefacts. We will also learn about the balance of power between the Anglo-Saxons and Vikings within Britain. Finally, we will focus on the end of the Anglo-Saxon and Viking period in Britain.

Later this term our Geography topic is mountains. Within this topic, we will learn about how different mountains form and key details about the Seven Summits of the world.

This half term in Art, we will be creating clay dragon eyes inspired by Viking mythology. Later this term in D&T, we will be creating pulley systems as part of the Squashed Tomato Challenge.

English

This term we will be kennings and warning stories linked to our Vikings topic. Next half term we will be writing explanation texts linked to our mountains topic. We will also be reading and writing a piece of work based on the book: 'Peace on Earth' for World Book Week.

Our class texts are 'Beowulf' by Michael Morpurgo, 'The Saga of Erik the Viking' by Terry Jones and 'Mountains' by Dieter Braun.

Please continue to support your child by talking to them about books and listening to them read.
