

Pentecost Term in Year 1

Class Dojo

Children receive merits linked to our Mission Statement – make sure you ask them which school value they have been following.

Please note that Dojo will only be used to inform you when your child receives a Mission Merit.

Teachers will not access messages via Dojo, so as always, if you need to contact them, please do so via the school office.

Alongside these texts, children have access to a wide range of books in our reading area as well as weekly comprehension lessons. We also share a variety of texts during story time and through our wider curriculum.

Reading

Please read with your child as often as possible, ideally 10 minutes each day. We ask that you continue to write in your child's homework diary every time they read with you. Children will read with an adult in school at least once a week.

It is important your child reads a broad range of texts so please continue to read different story books at home and support your local library.

Phonics

Phonics Screening Check

Please practise the real and alien words or phonics games sent home each week as part of your child's homework. During the screening check, your child will read 40 words to their class teacher, made up of 20 real words and 20 pseudo words. This will be a familiar process for them as they have completed previous checks in class over the course of the year.

Phonics Golden Ticket – these will resume after the Phonics Screening Check in June, when we will be introducing new sounds again. We ask that the children practise spelling each word as well as reading them.
